

Daily Positive (D+)

Your Daily Source Of Positive News From Around The World

Daily Positive (D+) is a not-for-profit media initiative to accumulate, store and publish positive news from all the countries of the world. D+ collects news for each of the 365 days of the year and spreads notable, extraordinary and uplifting information from each culture.

Its mission is to engage global citizens in interesting, thought-provoking dialogue about trending news topics through positive, open concept journalism.

Overview

Welcome to D+ August 2014 Newsletter. It is the eighth edition of the D+ Newsletter compiled with some of the news published in August 2014 on D+.

Despite ongoing worldwide conflicts, global citizens continued to innovate and initiate positive actions in a bid to take the human race forward. D+ continued to capture those positive initiatives and once again planned to recognize the high achievers at the D+ World's Most Positive Countries.

The annual event to reveal the top 10 World's Most Positive Countries recognizes the countries with the most positive initiatives and actions in the current year.

The World's Most Positive Countries 2014 will be announced on 1 November 2014 and will be presented at a ceremony on 25 November 2014 at the University of Melbourne. For more visit http://www.dailypositive.org/Most_Positive_Countries.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month

Top News Of The Month is selected based on the feedback from D+ Facebook fans from around the world.

Australian team was announced the overall winner of the 2014 Microsoft Imagine Cup with eye-scanning health app Eynaemia, a simple, non-invasive and easily accessible screening tool for anaemia made for use by everyday people.
