Overview

Welcome to D+ July 2025 Newsletter. It is the 199th edition of the D+ Newsletter compiled with some of the news published in July 2025 on D+.

In July, D+ reached several key milestones, including hosting our largest-ever volunteer meetup with participants from around the world. Notably, we saw enthusiastic involvement from students representing various schools—a promising sign for the growing interest in positive news. Inspired by this engagement, D+ is proud to officially launch the Campus Ambassador Program. Through this initiative, students will represent D+ at their respective institutions, helping to promote and share uplifting stories from around the globe. Best wishes to all our new Campus Ambassadors!

Visit our online store Babatye <https://www.babatye.com/> for our new collections. All the profits from our stores will go as donation to D+. It would help our non-profit organization if you can share this with your contact.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month
