## Overview

Welcome to D+ November 2018 Newsletter. It is the fifty-ninth edition of the D+ Newsletter compiled with some of the news published in November 2018 on D+.

Congratulation to the winners of the D+ World's Most Positive Countries 2018! Canada was crowned as the World's Most Positive Country in 2018 for the first time ever in the 8th year of this award series. More highlights are:

- Japan made it back to the list of positive countries since 2014. Singapore and New Zealand made it back since 2016.
- Ethiopia, North and South Korea, Iceland, the USA and Chile are the regional winners.
