Overview

Welcome to D+ November 2025 Newsletter. It is the 203rd edition of the D+ Newsletter compiled with some of the news published in November 2025 on D+.

We are nearing the end of 2025—November has passed, and you are likely reading this newsletter in December as you get ready for Christmas. Over the past month, D+ has been busy organizing our global tour to meet volunteers around the world. Everything is now in place, and we are excited for the visits planned for December and January. We will share more details soon, but until then, wishing you a Happy New Year 2026 in advance!

Visit our online store Babatye <https://www.babatye.com/> for our new collections. All the profits from our stores will go as donation to D+. It would help our non-profit organization if you can share this with your contact.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month

Top News Of The Month is selected based on the feedback from D+ Facebook fans from around the world.

The Maldives became the first nation to enforce nationwide generational ban on smoking, applying to anyone born after January 2007.
