

Daily Positive (D+)

Your Daily Source Of Positive News From Around The World

Daily Positive (D+) is a not-for-profit media initiative to accumulate, store and publish positive news from all the countries of the world. D+ collects news for each of the 365 days of the year and spreads notable, extraordinary and uplifting information from each culture.

Its mission is to engage global citizens in interesting, thought-provoking dialogue about trending news topics through positive, open concept journalism.

Overview

Welcome to D+ December 2025 Newsletter. It is the 204th edition of the D+ Newsletter compiled with some of the news published in December 2025 on D+.

December 2025—the final month of the year—arrived in the blink of an eye. By the time you're reading this, we are likely already stepping into a new year, so Happy New Year in advance. And what a year it has been. Time and again, the world delivered uplifting surprises, and D+ was there to capture and share those positive moments. This proves once more that people across the globe continue to challenge the notion that negative news is all that resonates. Positive stories do create impact, spark conversation, and inspire hope.

Visit our online store Babatye <https://www.babatye.com/> for our new collections. All the profits from our stores will go as donation to D+. It would help our non-profit organization if you can share this with your contact.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.
