Overview

Welcome to D+ March 2015 Newsletter. It is the fifteenth edition of the D+ Newsletter compiled with some of the news published in March 2015 on D+.

It was the month of D+ Carnival Europe 2015. The carnival was held throughout the month of March and celebrated the joys and delights from Europe. As part of the carnival, we organized tea sessions, presentations and social gatherings and travelled to new places. Along with the celebration D+ continued to draw attentions to its #BringBackOurGirls and #StopBurningMyChild campaigns. The carnival ended with great enthusiasm and D+ would like to take this opportunity to Thank You for participating at the Carnival Europe 2015.

Pictures from the carnival are coming soon and you will find them with further details at

http://www.dailypositive.org/Daily_Positive_Carnival.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month
