Overview

Welcome to D+ August 2024 Newsletter. It is the 188th edition of the D+ Newsletter compiled with some of the news published in August 2024 on D+.

August 2024 was month of the summer Olympics in Paris. Surely the message of joy spread around the world and certainly among our volunteers. There were so many inspiring stories that took place at the Olympics during the last one month and D+ volunteers were there to cover them all. From the first ever gold medal for a country to a first ever any medal for an individual country, the Olympics had it all. It was yet another reminder, how things like sports can unite us all at a time when the world looks so divided.
