Overview

Welcome to D+ January 2025 Newsletter. It is the 193rd edition of the D+ Newsletter compiled with some of the news published in January 2025 on D+.

Happy New Year 2025! Hope you had a great start of the year while reading this newsletter in February. For D+ it has been a fantastic January. We have received thousands of new year wishes from around the world and each of those messages made us feel special. In 2025 we are ever so determined to bring you the positive news from each part of the world. Stay tuned for all of our upcoming initiatives and keep sending those positive news from your part of the world. May this year be for peace, prosperity and positivity!

Visit our online store Babatye <https://www.babatye.com/> for our new collections. Also, visit our eBay store at <http://www.ebay.com.au/usr/dailypositive>. All the profits from our stores will go as donation to D+. It would help our non-profit organization if you can share this with your contact.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month

Top News Of The Month is selected based on the feedback from D+ Facebook fans from around the world.

India became the fourth country, after the United States, Russia and China, to successfully conduct space docking by joining together two small craft in space and the mission was called SpaDeX.
