Welcome to D+ August 2026 Newsletter. It is the 212th edition of the D+ Newsletter compiled with some of the news published in August 2026 on D+.

August 2026 brought many positive and inspiring stories, as has been the case with the previous months featured in our newsletters. However, this edition also reminds us of the devastating natural disaster that struck Nepal at the end of August, claiming many lives and leaving families and communities in mourning. We extend our deepest condolences to everyone who lost their lives and to their families during this tragic time. Our thoughts and prayers remain with all those affected. Despite this heartbreaking event, D+ continued its mission of bringing you the most uplifting stories from around the world throughout August.
