Overview

Welcome to D+ May 2024 Newsletter. It is the 185th edition of the D+ Newsletter compiled with some of the news published in May 2024 on D+.

In May 2024, D+ introduced several internship opportunities at the University of Technology Sydney (UTS) College campus in Bangladesh. The offers are for IT and Business students in their final semester at UTS College Bangladesh. As part of that an Australian team from D+ will visit Bangladesh in June 2024. Apart from that D+ has also conducted trainings for its volunteers in Australia in May 2024 on how to edit Mediawiki, the underlying software for D+.

Visit our online store Babatye <https://www.babatye.com/> for our new collections. Also, visit our eBay store at <http://www.ebay.com.au/usr/dailypositive>. All the profits from our stores will go as donation to D+. It would help our non-profit organization if you can share this with your contact.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month

Top News Of The Month is selected based on the feedback from D+ Facebook fans from around the world.

Indian space startup Agnikul made history with world's first 3D-printed rocket engine launch aboard a single-stage launch vehicle called Agnibaan SORTeD, from India's first-ever privately-developed launchpad, Dhanush, also established by Agnikul at Sriharikota.
