Overview

Welcome to D+ December 2015 Newsletter. It is the twenty-fourth edition of the D+ Newsletter compiled with some of the news published in December 2015 on D+.

In case you missed, D+ announced the list of the World's Most Positive Countries (WMPC) in November 2015. The top 10 World's Most Positive Countries 2015 are as follows:

Switzerland, Sweden, China, England, Australia, Germany, United States of America, New Zealand, Singapore and Norway.

Apart from the overall list of 10 most positive countries, for the first time ever, D+ also compiled a list of regional positive countries from Africa, Asia, Europe, North America and South America. The Most Positive Regional Countries 2015 are as follows:

Nigeria, Bangladesh and India, Finland, Cuba and Chile.

For further details on WMPC 2015 visit D+ at http://www.dailypositive.org/Most_Positive_Countries

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.
