

Daily Positive (D+)

Your Daily Source Of Positive News From Around The World

Daily Positive (D+) is a not-for-profit media initiative to accumulate, store and publish positive news from all the countries of the world. D+ collects news for each of the 365 days of the year and spreads notable, extraordinary and uplifting information from each culture.

Its mission is to engage global citizens in interesting, thought-provoking dialogue about trending news topics through positive, open concept journalism.

Overview

Welcome to D+ October 2015 Newsletter. It is the twenty-second edition of the D+ Newsletter compiled with some of the news published in October 2015 on D+.

By the time you are reading this newsletter D+ must have announced the result of World's Most Positive Countries (WMPC). Find the list of the most positive countries at http://www.dailypositive.org/Most_Positive_Countries

D+ will present the above mentioned list in detail at a presentation ceremony on 25 November 2015 at the University of Melbourne, Australia. A summary of the event:

- Keynote Speech: Big Data Management by **Dimitrios Bairaktaris**, Former IT General Manager, **Coles Supermarkets** and Managing Director, **Forth Solutions**.
- D+ Founder Speech and Presentation: World's Most Positive Countries 2015 Presentation by **Dr. Arif Jubaer**, Founder, D+.

It is **FREE** to join but RSVP required as we would also like to invite you to a post-presentation refreshment.

D+ is a non-profit media initiative that heavily relies on the generous support from everyone. Please consider a donation today.

Top News Of The Month

Top News Of The Month is selected based on the feedback from D+ Facebook fans from around the world.

China announced the end of its hugely unpopular one-child policy to allow all couples to have two children.
